

Create Your Own Chesapeake Bay Snowflake Design

1. Draw your design in the upper right triangle labeled "Here" in gray
2. Cut out large square above from the rest of the page (keep rest of page for further instructions)
3. Fold cut out square in halves along the black lines, ending with triangle with your drawn design on top and visible
4. Cut out your design, unfold triangle open and hang in a window
5. Take a picture and share on our social media - we'd love to see your creations!
